

Alexandria Gazette

FRIDAY EVENING, SEPTEMBER 9.

LOCAL NEWS.

Subscribers who fail to receive the GAZETTE regularly will please report such failures to this office promptly.

For this district warmer, fair weather to-day, followed by local rains on Saturday, light to fresh southerly winds, becoming fresh to brisk south-westerly.

THE I. C. B. U.—The Irish Catholic Benevolent Union closed its session in Washington yesterday. President Glennan presided, and Rev. Father Henry offered the opening prayer. After addresses by President Campbell and Vice-President Daily, of the C. T. A. Union, of Philadelphia, explaining the objects of the society, resolutions reported by Father Walsh were adopted expressing sympathy with the movement of Parnell, Dillon and their collaborators against landlord power in Ireland. The election of officers was proceeded with, Mr. M. Glennan, of Norfolk, being re-elected president; J. J. Bhan, of Pennsylvania, and Rev. Wm. Walsh, of Tennessee, vice-presidents; M. J. Griffin, of Pennsylvania, secretary; Rev. Jas. Henry, of Missouri, treasurer; Walter Walsh, of Missouri, W. H. Kelley, of Ohio, and M. B. Harlow, of Virginia, executive committee. Columbus, Ohio, was fixed upon as the place of the next annual meeting. The union made a visit to the President in the afternoon. The President received the delegation and they were introduced by Mr. Glennan in a short speech. The President responded by expressing his gratification at meeting so many of the representatives of the Irish Catholic Benevolent Union, the more so from the fact that it was benevolent in character. After returning from the White House the union held a short session and then adjourned. The proposed visit to this city by the union was abandoned.

FAIRFAX COUNTY ITEMS.—In the local option election held in Fairfax county on Friday last, Providence district gave a majority of 307, Falls Church 157 and Dranesville 169, all against license.

In the democratic primary election held in Fairfax county on Wednesday, Providence district elected Simpson delegates over Ballard; Dranesville district elected delegates supposed to be in favor of Ballard; Lee district elected all Simpson delegates, while in Falls Church and Centreville districts, a majority of the delegates are believed to be in favor of Simpson. It is thought that Dr. Simpson will have a clear majority on the first ballot in the convention which is to meet at Fairfax C. H., on Wednesday next.

Capt. J. C. Kinchloe, met with a painful accident on Saturday last, whilst driving his loaded wagon to Clifton Station. His foot was caught in some manner by the brake, and so wrenched as to nearly break the ankle bone.

REED BIRDS.—Hunting Creek, near Alexandria, is daily besieged by seekers after reed birds. They are killed by the score. The succulent score does not appear numerous in that vicinity. It is record that George Washington, in his youthful days, used his old flint lock single-barreled fuscus with great effect on the progenitors of these same Hunting Creek reed birds. It was about the time that the immortal George cut down his paternal cherry tree and did not deny the old man's stern inquiry in reference to the matter. The hatchling, made by a country blacksmith near Publick church, is still extant in Alexandria.—*Richmond State.*

ROBBERY.—The residence of Mr. Arthur Gregory, on south S. Asaph street, was robbed to day of about \$30 in money and a gold watch belonging to Mrs. Gregory. Suspicion points to a young man who has recently been boarding in the house, and who, it is said, suddenly left for Washington this evening. The young man referred to is named J. E. Walker, who until recently was connected with the Norton Shipbuilding Company, but who, it is said, was discharged by that company for irregularities in money affairs. He came to this city from Baltimore. The police of Washington have been notified by telegraph to arrest him.

POLICE REPORT.—Last night was clear and cool with neither prisoners nor lodgers at the station house.

The Mayor this morning disposed of the following cases:

Susan Brigadier, colored, charged with an assault on Susan Gibson, was discharged and the complainant required to pay the cost of the warrant.

A white boy and a colored girl, arrested by officer Henry, for fighting, were fined \$1 each.

Wm. Williams, a colored boy, charged with stealing a sewing machine was held for future trial.

"TO DISCONTINUE AN ADVERTISEMENT." says John Wannamaker, one of the largest advertisers in the world, "is like taking down your sign. If you want to do business you must let the people know it. Standing advertisements, when changed frequently, are better and cheaper than reading notices. They look more substantial and business-like, and inspire confidence. I would as soon think of doing business without clerks as without advertising."

THE OPERA HOUSE.—Bell's Royal Marionettes together with Ellis & Burke's grand gift carnival, drew another large crowd at the Opera House last night, and all enjoyed the performance, the programme being carried out to the letter. The silver watch was drawn by F. Wanzar, colored; the tea set by Mrs. T. Collingsworth, and the chamber set by Sam. Boling. A special matinee will be given to-morrow evening for ladies and children.

PERSONAL.—Miss Bessie Smoot is seriously ill at Broad Run, Fauquier county, with typhoid fever.

Mrs. G. S. French and children have returned from Albemarle county, where they have been spending the summer.

Miss Roberta Cline has returned from a visit to Hagerstown.

Mr. Duffey, of the Baltimore Sun, was in the city to-day.

THE CUPPER FAIR.—The Piedmont fair closed yesterday with only a fair attendance. The first race, three quarters of a mile, was won by Garth's Vigilant; time 1:21. The consolation race was awarded to Bradshaw's Redwing. The fair did not meet with the success of former years, and is probably the last one that will be held for some time. Too little attention was paid to advertising.

OFFICIAL VISIT.—E. Sir E. E. Downham, G. W. Knights Templar, as the representative of R. E. Grand Commander W. H. H. Lynn, paid an official visit to Fauquier Commandery No. 15, stationed at Markham, last night, and returned this morning well pleased with his visit. Fauquier Commandery has a membership of between thirty-five and forty.

A number of the delegates to the I. C. B. U., which was in session in Washington yesterday, visited this city to-day.

LOCAL BREVITIES.

The crossing at the corner of Fairfax and Canal streets needs repairing.

The Triadelphia mill (the old Cloud's mill), near this city, which, as stated in the GAZETTE yesterday, has been leased to Mr. Alfred Patkens, of Frederick county, will soon be in operation.

The gunners say that there are but few reed birds to be found near this city, and that the tides have been so low since the commencement of the season as to prevent them getting into the marshes in their skills for reed shooting.

At the regular meeting of the executive board of the Woman's Auxiliary, on Wednesday evening, the ladies considered the expediency of getting up some entertainment during the autumn to meet the expenses of the Association, as the treasury is in need of funds.

Marriage licenses were issued in Washington yesterday to Isaac Turner and Lulu V. Jones, both of Woodbridge; Thos. Wise, of Washington and Rebecca Foote, of this city; R. W. Woods, of Richmond, and Gertrude Pollard, of King William county, and to James A. Randall and Katie Melvin, both of Warrenton.

MONETARY AND COMMERCIAL.

The markets present no new features and are without speculative feeling. There is a general depression in prices and no present prospect for any improvement. Money matters are very quiet, but the market is quoted firm, with, however, a plentiful supply. Government bonds are dull. State securities are quiet. Tax coupons are selling in moderate quantities at full prices. 10-40s 35 1/2-37 1/2; 3s 63 1/2-64 1/2. Railroad securities are dull, and we quote Va. Mid. 3ds at 108, and 5ths at 101.

NEW YORK, September 9.—The stock market was quite dull this morning. First sales were made at advances over yesterday's final figures extending to 1/2 percent, and further small fractional advances were made in the early dealings. The market soon lapsed into extreme dullness and prices developed a sagging tendency, which quickly wiped out most of the early gains. A better tone was again noticeable late in the hour, and at 11 o'clock the market was very dull and steady in price at a shade under first prices. Money quiet at 4 1/2-5.

BALTIMORE, Sept. 9.—Virginia 6s consolidated 47; past due coupons 61; 10-40s 35 1/2; new 3s 63 1/2 bid to day.

The markets during the past week have been exceedingly tame and spiritless, not the least speculative feeling being shown by either side. Receipts of Flour have been fully equal to the present demand, which is confined to the immediate wants of jobbing dealers, with sales well distributed as to brands. The offerings of Wheat have been small and mostly of inferior grades; choice samples are very seldom found and are in constant demand for home milling; we note sales this morning at 63 to 70 for damp and common, 70 to 73 for common to fair, and 73 to 76 for fair to good. Corn is active at 54 to 55. Oats are higher. Rye is steady. There is a growing scarcity of Potatoes and other country produce, and if the drought, which is reported as very extensive, lasts much longer, a stiff advance in prices is expected."

BALTIMORE, Sept. 9.—Cotton steady and dull; middling 9 1/2. Flour steady and firm; Howard street and Western super \$2.25-2.75; do extra \$3.00-3.60; do family \$3.75-4.35; city mills super \$2.25-2.42; do extra \$3.00-3.50; do city mills brand \$1.15-1.50; Patapsco superlative patent \$5.10; do family \$4.75. Wheat—Southern firm; red 79-81; amber 81-83; Western easier and quiet; No. 2 winter red spot 77 1/2-77 3/4; Sept 77 1/2-77 3/4; Oct 79 1/2-79 3/4; Dec 82 1/2-82 3/4. Corn—Southern firm; white 56-57; yellow 55-56; Western firm and quiet; mixed spot 50; Oct 49 1/2-50; Oats higher; Southern and Penn 30-35; Western white 33-35; do mixed 31-32 1/2. Rye higher at 50-55. Hay easier and quiet; prime to choice Western \$12 1/2-15. Provisions firmer. Mess Pork \$16 25-16 50. Bulk-meat—shoulders and clear rib sides packed 7 1/2-7 3/4. Bacon—shoulders 7 1/2-8 1/4; clear rib sides 10; hams 13 1/2-14 1/2. Lard—refined 8. Butter steady; Western packed 17-22; creamery 22-25. Eggs firm at 18-18 1/2. Coffee nominal; Rio cargoes ordinary to fair 19 1/2-20 1/2. Sugar higher; A soft 6 1/2. Whiskey steady and firm at \$1 14-15.

CHICAGO, Sept. 9. 11 a. m.—There was an easier feeling in the market to-day than yesterday, owing to advances of a strengthening nature. Oct Wheat opened 1/4 higher at 70 1/2, and is now selling at 70 1/2. May Wheat 79 1/2. Oct Corn opened with an advance 1/2, and is now quoted at 42 1/2. May Corn 43 1/2. Oct Pork 25 1/2. Jan Pork 12 7/2. Oct Lard 16 5/2. Oct short rib \$8 9/2.

RICHMOND MARKET, Sept. 8.—The supply of Flour is good, with but a limited inquiry. Offerings of Wheat to-day about 10,000 bushels, with sales at 84 for prime longberry, and 73 for common; mixed brought 80-83, and shortberry from 62 to 82. No sales of Corn reported. Oats 32-37.

FREDERICKSBURG MARKET, Sept. 8.—The market is very quiet and all kinds of produce in limited receipt. Flour \$3.50-5.50, as to brand; Wheat 70-80 for fair to prime; Corn 50-53, and Oats 30-35.

LYNCHBURG MARKET, Sept. 8.—No change is reported in the market for Flour, Grain or Tobacco since last report.

BALTIMORE SUGAR AND COFFEE MARKET, Sept. 8.—Sugars.—The market for raw Sugars is active and firm, with a further advance at the Northern ports. We quote Muscovado, 89 cent, at 4 1/2, and centrifugal, 96 cent, at 5 1/2-16 cent. For refined Sugars the prices have advanced in sympathy with the increased cost of raw, and the market is active and firm, with a moderate amount of stock offering. We quote hards at 50-53 for cut loaf, 50-58 for cubes, 50-53 for powdered, 50-51 for granulated. Softs—\$3.75 for

mould A, \$6.60 for confectioners' A, and \$6.50 for standard A.

Coffee.—The demand for invoices is light and the market is quiet and nominally firm, with the stock in importers' hands held at full prices. The sales are mostly in small lots. The jobbing business is confined to small orders. Rio invoices are quoted nominally at 20-20 1/2 per lb for fair.

Cattle Markets.
